8th World Forum for Lifelong Learning

Lifelong learning: Pillars of Peace and Pathways to Social Transformation

Bogota, Colombia. September 7-12, 2026.

Comité Mundial pour les Apprentissages tout au Long de la Vie (CMA) - Pontificia Universidad Javeriana- Bogotá (PUJ)

The Global Committee for Lifelong Learning (CMAtlv), in collaboration with The Pontifical Javeriana University of Bogotá (UPJ), is pleased to invite you to participate in the 8th Global Forum for Lifelong Learning. Your organization can join this unique event scheduled for September 2026 which will be held in UPJ in Bogota, Colombia, as well as remotely.

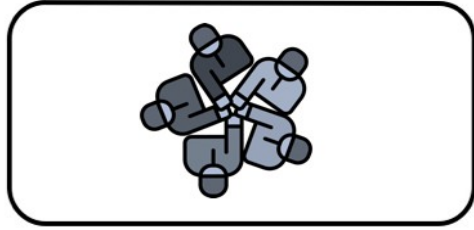

Why is this event worth your interest?

Because the theme addresses one of the main issues of our time: violence related to the difficulty in finding the paths to peace. In this context, the image of your organization may be associated with an event that represents a bet for hope.

Because the CMAtlv World Forums have a proven history since 2008. They have held in cities such as: Paris, Shanghai, Marrakech, Madrid, Brussels, Alexandria.

Because the institutions that organize the 8th World Forum in Bogotá have a vision a more just, sustainable, inclusive, democratic, united and respectful society of human dignity.

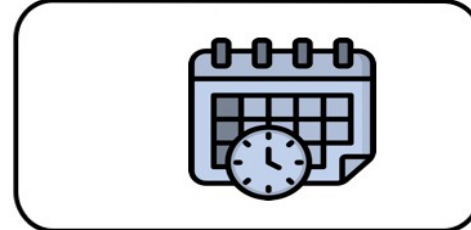

If the values we believe in match those of your organization, don't hesitate to join us.

Inspire collective actions that strengthen democracy, inclusion, resilience and sustainability.

Connect the voices of America Latin and of the world in a dialogue for peace.

Build a common program for fairer societies and more human.

Offer the possibility to the leaders social and to the representatives institutional to bring some various points of view.

Lifelong learning is one of the main levers of progress and hope. In a world marked by conflict and inequalities, learning is resisting, taking care of oneself and transforming oneself is taking care of others and the planet. This Forum convokes those who believe that education for all throughout life can be a path towards peace, justice and sustainability..

Promote interdisciplinary and intercultural dialogue, by inviting academics, social leaders, policy makers and international organizations.

Mobilize dialogues between universities, international organizations, civil society and government sectors.
